SALUTE to MERCHANTS

C.J. Eller opened Eller's in 1945. Over the years, the business has grown and expanded, eventually becoming a full-service furniture and mattress store. The business, originally located in Hayesville, NC, moved to Lenoir, NC in 1963, and then to a larger location in Hayesville in 1986. The Eller family has been in the furniture business for generations, with C.J. Eller's son, Terry, and daughter, Chris, continuing the family tradition.

James Eller, the founder of Eller's, worked hard to establish the company's principles and reputation. The Eller family pledges to maintain the same high standards of quality and service that have made Eller's a success for over 75 years.
